Message from Mr Elcock

Another week has flown by, and our daily routines are now established, with other weekly activities taking shape, like Year 5's swimming lessons on Mondays, and our assembly routines. As you may know, pupils from Year 2-6 are assigned their own laptop to use in school, and take home to complete homework on. Please make sure it is well-looked after at home, and kept in a safe place. Our online safety software will prevent them from visiting inappropriate websites, and alert school leaders if they do, but please still keep a close eye on their use of it.

We are pleased to be hosting a parenting course called 'Understanding Your Child' for the next ten weeks in our Community Room. Please contact the office if you are interested in joining.

Today is Miss Maskeen's last day before going on Maternity Leave. We wish her all the very best, and look forward to hearing her happy news!

With best wishes for an enjoyable weekend, Mr Elcock
