Message from Mr Elcock

Gratitude is the new Community Value we are focusing on. At this time of year, many faiths, cultures and traditions have celebrations or festivals to show gratitude for the things we sometimes take for granted, such as food and shelter. In our assemblies this week we have begun to consider some of the things we are grateful for, and who we might say 'thank you' to.

The focus of our Teacher Training Day today (Friday) was Inclusion. Teachers considered how we can make sure that we are even more inclusive in our school, with a focus on our teaching and classroom practice. We had two visiting trainers, who will be leading training about Understanding Autism, and about 'Adaptive Teaching'. The intention is that our teachers will become more skilled at taking account of the different needs of different children in their classes.

I hope you all enjoy your weekend, Mr Elcock
